

Background/Experience - Participant 2

Date

2025-05-14 11.23.18

1. **What is your current role? (e.g., Student, Backend Developer, DevOps Engineer, etc.)**
Student
2. **How many years of programming experience do you have?**
2-5 years
3. **How much experience do you have working with .NET and C#?**
Beginner: I have basic knowledge and can write simple programs with limited guidance
4. **How much experience do you have with unit testing?**
Beginner: I understand the concept of unit testing and have written a few basic test cases.
5. **How much experience do you have with Pulumi?**
No experience: I don't know what Pulumi is or have never used it.
7. **How much experience do you have with IaC tools other than Pulumi? (e.g., AWS CDK, CDKTF, Terraform, etc.).**
Beginner: I've explored IaC tools through tutorials or small personal projects for basic infrastructure provisioning.
