

# Background/Experience - Participant 1

---

Date

2025-05-12 14.37.10

1. **What is your current role? (e.g., Student, Backend Developer, DevOps Engineer, etc.)**  
DevOps Engineer
2. **How many years of programming experience do you have?**  
8+ years
3. **How much experience do you have working with .NET and C#?**  
Intermediate: I can build and maintain applications using .NET and C#, and solve common problems independently.
4. **How much experience do you have with unit testing?**  
Advanced: I have extensive experience designing and maintaining comprehensive test suites.
5. **How much experience do you have with Pulumi?**  
No experience: I don't know what Pulumi is or have never used it.
6. **How much experience do you have with IaC tools other than Pulumi? (e.g., AWS CDK, CDKTF, Terraform, etc.).**  
Advanced: I have extensive experience writing and managing large-scale IaC programs for production environments.
